The QASP will be uploaded to TeamLink today, but I'll forward you a copy of everything. I'm at the COOP right now. Going to load the LRV with the DataRAMs and some other supplies.

Are we ready to go for Sunday? Can you send me the draft plan and maps? Also, the additional funds for the TDD were sent this morning so we are good on funds to complete the scope. Also, make sure you have reached out to the resident to let him know we are coming.
